

OFM Project Information for Award # S09-DY-53-0001**Project ID:** Administration**Award Amount:** \$250,111.00**Name:** Homelessness Prevention**Status:** Less than 50% completed

Description: To date sub grantees have slightly exceeded our projections on the number of households to be served, however, we have not met our projections for spending. To address this we reduced an underperforming sub grantee's award and redistributed the funds to other higher performers. On an on-going basis our dashboard for sub grantee performance and benchmarks will pinpoint other areas where adjustments can be made so that our spending objectives are met. Staff provided substantial technical assistance on client data entry into the Homeless Management Information System and on how to comply with the specific documentation requirements for Prevention and Rapid ReHousing assistance. Sub grantee questions still remain relatively frequent in these areas underscoring the twin challenges of incorporating the new data standards of HPRP and data integration. Commerce added a sub grantee in Grant so now there are a total of twenty-eight contractors in the balance of state.
